Subject: Chervon v. One World - email discovery

Counsel,

Pursuant to our discussions regarding email production, here are our proposed search terms and their corresponding hit counts across these six custodians:

- Steve Holland
- Seth Chapman
- Brian Hobbs
- James Ferrell
- Jason Goings
- Drew Patrick

<u>Search String</u>	<u>Hit Count</u>
mower w/10 ((copy* or compet* or infring* or patent) and (chervon or ego or echo or "home depot" or "thd"))	313
mower w/10 ((copy* or compet* or infring* or patent) and (telecop* or storage or collapse* or fold* or redesign or "next generation" or "next gen" or "nextgen"))	161
mower w/10 (Ego AND (patent OR "power equipment" OR safe* OR RY401* OR RY40LM* OR Ryobi OR echo or clm-58v OR "one world" OR techtronic OR homelite OR 463 OR 806 OR 686 OR 588 OR 805 OR 772 OR 176 OR 420))	966
mower w/10 (Safe* AND (switch OR sensor OR control* OR lock* OR release* OR assembl* OR kill OR "shut off" OR "shut down"))	477
mower w/10 (safe* w/10 (switch OR sensor OR control* OR lock* OR kill OR "shut off" OR "shut down"))	298
mower w/10 ((chervon or ego) and (market* or sales or advert*))	114
(*Mower* w/10 (switch* or sensor*)) and ((switch* or sensor*) w/10 (safe* OR lock* OR kill OR "shut off" OR "shut down" or control))	4382

Notes:

We required mower to be within 10 of everything else so as not capture signature blocks for people in the mower division

We changed pat* to patent so as not to capture emails simply mentioning individuals named Patrick or Patricia.

Please let us know if these terms are acceptable to Chervon. If you confirm which 6 search strings you have chosen by Friday, March 12, we will produce the results no later than Friday, April 2.

Thanks,

Damon Marcus Lewis
